

## CUSTOM INSERTS

To better organise and protect your equipment. At Stage Plus we are able to fabricate custom compartments, padded dividers, bag inserts and lid organisers to suit your individual requirements. Making sure your equipment is well protected.

## CUSTOM FOAMING

Provide your equipment with the most adequate protection. At Stage Plus we are able to custom cut foam to your individual needs, be it either foam, eggshell foam, zotefoam, low or high-density foams or fire-retardant foams. We have partnered with the best foam manufacturers to provide your equipment with the most adequate protection.
